

For TAC Summer Events 2023 in Halifax, Nova Scotia, residences, meals, classes, and evening activities will be divided between two nearby venues: King’s College and Dalhousie University. The walking distance between them is 7-10 minutes.

Each venue offers advantages, and it will be necessary to house attendees in both residence halls. Here’s a list of the comparative benefits and considerations of each. Residents of Dalhousie *and* King's will take all their meals at King's.

Due to the lack of en suite facilities, and air-conditioning, a refund in registration fees of \$100 per person is offered for those requesting accommodations during Summer School or both TCW & Summer School at the recently renovated King’s College.
